

GABBART & WOODS TAHOE PARTNERS

STRUCTURAL ENGINEERS

COMPANY PROFILE

GABBART & WOODS TAHOE PARTNERS (a DBA for Gabbart & Woods Tahoe Ltd, a Nevada corporation) is a project delivery company formed by members of the Gabbart and Woods Studio.

GABBART & WOODS TAHOE PARTNERS is composed of a collaborative group of partnering Principals, each of whom maintains full direction of her/his projects from design concept through documents, permits, and construction. We draw upon the diverse experience of our partnership, as well as that of the Gabbart and Woods Studio as a whole, to find the most efficient, cost effective and elegant structural solutions.

A greatest net benefit mentality guides our business approach, prioritizing opportunity and reward for all stakeholders. Environmental awareness and community involvement are important touchstones for our group.

Since 1995, our company has built an extensive and varied portfolio of projects in many regions and of many building types. Responsiveness, attention to architectural detail, excellence and integrity are all hallmarks of the company.
